### The Buffalo Yacht Club Sailing Program

### Agreement

Yes, I, \_\_\_\_\_, agree to participate in the Buffalo Yacht Club Sailing Program, this summer. For the sum of \$ 220.00, I will receive up to two (2) hours classroom instruction, up to two (2) hours dockside instruction and up to six (6) hours on the water instruction or use of a Club owned/maintained sailing vessel. The goal of my participation is to be able to handle and sail a small sailboat from the dock to the lake and back in a safe, seamanlike manner. I acknowledge and understand that I may be able to accomplish this goal in less time than allotted above. I agree that it is my unilateral and non- delegable responsibility to wear a U.S. Coast Guard Approved Personal Floatation Device (“PFD”) at all times that I am near or on the water while participating in the BYC Sailing Program.

I understand that during lesson activities I may make use of the Buffalo Yacht Club bar and dining areas as a guest of my instructor(s). I agree to dress appropriately and to follow Club rules when using the bar and dining areas.

I agree that this agreement includes my completed Health History and signed Consent, Release and Indemnity Agreement which together with \$ 220.00 are consideration for my participation in the sailing program.

I, \_\_\_\_\_, signify my agreement to the above by signing below.
