Donate today!

The Buffalo Yacht Club Foundation's Junior, Adult, and High School Sailing Programs have grown exponentially over the past few years. In 2021, the Junior Sailing Program ran for eight weeks in July and August, averaging 50 junior sailors in attendance every week. Throughout the summer, the Adult Sailing Program had 40 participants. The High School Sailing Program had a record 62 sailors participating from 15 Western New York schools. In addition, the High School Sailing Program had the privilege of hosting the MASSA Silver Fleet Championship Regatta, where the top teams from New York, New Jersey, Maryland, and Virginia came to compete. Four teams from the BYCF's program qualified and competed in the championship regatta. Additionally, the BYCF continued to support the WNY Maritime Charter School's objectives by providing an on-water experience for their students.

To continue to grow the Boating Education Programs, the Buffalo Yacht Club Foundation needs your help. The BYCF plans to raise \$100,000 in 2022 to maintain its fleet of 40+ boats and expand its programs to more Buffalo community members. Please help us reach our goal by donating today!
