

Alternative Inspection System Programs

NEXUS

The NEXUS alternative inspection program allows pre-screened, low-risk travelers to expedited processing for U.S. and Canadian border officials. Approved applicants are issued a photo-identification/RFID enabled card, which is valid for 5 years. Participants cross the border in a dedicated lane where they present their card for expedited processing unless selected for a more extensive examination. Small boat operators in possession of a NEXUS member card may report their arrival via telephone.

Eligibility

Citizens or permanent residents of the United States or Canada are eligible for NEXUS. Applicants must be approved by both the United States and Canada and present proof of status.

Registration Location

Application for NEXUS participation can be made via the Website address at:

<https://goes-app.cbp.dhs.gov>.

The application fee is \$50 US or Canadian currency per person for individuals 18 years of age and over. (There is no fee for minors ages 17 and under.) CBP will schedule an appointment for interview and complete the application process. For NEXUS toll-free information, (U.S. and Canadian), call 1-866-NEXUS26 (1-866-639-8726).

SENTRI / FAST

The SENTRI Program is a US/MX Border facilitated traveler program. FAST is a commercial truck driver facilitated traveler program.

I-68 Program

Under the I-68 program, applicants for admission into the United States by small pleasure boats are pre-registered and issued a single boating permit for a 12-month period. The I-68 permit allows boaters to enter the United States from Canada for recreational purposes with only the need to report to CBP for further inspection by placing a phone call to report their arrival. I-68 holders are still subject to reporting to a CBP port of entry upon CBP request.

Contact any local CBP office in advance to make an appointment to apply for an I-68.

- To enroll in the program, each applicant must appear in person for an interview and various law enforcement checks. Proof of identity and citizenship is required at interview.

- Fees are \$16 U.S. dollars for an individual or a total of \$32 U.S. dollars for a family

- An I-68 is issued for a 12-month duration. A new application is required at the end of the 12-month period for continued participation in this program.

Eligibility

U.S. Citizens (USC) or lawful permanent residents, and Canadian Citizens are eligible to apply for I-68 boating permits (proof of status required). Landed immigrants of Canada who are nationals of Visa Waiver Program countries may also apply, but at the time of I-68 application and each subsequent entry they must be in possession of a valid, unexpired passport issued by his or her country of nationality, and an unexpired multiple entry Form I-94W, Non immigrant Visa Waiver Arrival/Departure Form, or an unexpired passport, valid unexpired United States visa and I-94 Arrival/Departure Form. Reporting Requirements for Private Boat Operators in the Great Lakes Region

Effective January 2008

U.S. Customs and Border Protection

U.S. Customs and Border Protection (CBP) has implemented enhanced security procedures for small boat arrivals and inspection of associated crew and passengers.

These procedures require physical reporting to a designated local CBP Office unless enrolled in an Alternative Inspection Systems Program that would allow arrival reporting by telephone.

Boaters are strongly encouraged to apply for participation in any of the Alternative Inspection Systems Programs described in this document to expedite reporting of arrival and clearance into the United States.

Participation in any of the Alternative Inspection Systems Programs does not preclude the requirement for a physical report upon request by CBP.

Who Reports?

All U.S. Citizen and alien boaters, family members and all guests entering the United States MUST REPORT for inspection immediately upon arrival.

When Reporting Is Required

Arrival of a vessel means the time when a vessel first comes to rest in U.S. waters, whether at anchor or at a dock:

- After touching foreign soil;
- After having contact with a foreign vessel, or coming in contact with a vessel entering U.S. waters from foreign waters.

Failure to Report

Failure to report can result in civil penalties as defined in Title 19, United States Code, Section 1436 to include a penalty of \$5,000 for the first violation and \$10,000 for each subsequent violation with the conveyance subject to seizure and forfeiture. In addition to being liable for a civil penalty, any master who intentionally commits a violation under subsection (a) of the above stated section upon conviction is liable for a fine of not more than \$2,000 or imprisonment for 1 year or both.

Reporting Procedures

Customs and Border Protection clearance may be obtained by one of three methods listed below:

1: Be in possession of a pre-approved Form I-68 or NEXUS/SENTRI/FAST member card, and call one of the following numbers to report your arrival up to 4 hours in advance;

Ohio, Pennsylvania, Illinois, Indiana, Wisconsin, and

Duluth, MN: 1-888-523-BOAT (2628)

New York State: 1-800-827-2851

Only the master or designee may go ashore to report the arrival to CBP either in person or if participating in the I-68 or NEXUS/SENTRI/FAST programs, by telephone. No other person may leave or board the boat and no baggage or merchandise may be removed or loaded until the report of arrival is made and release granted by a CBP officer. Each crew member and passenger must also be in possession of an I-68 or NEXUS or SENTRI or FAST card to qualify for phone-in reporting.
